

LETTER OF APPRECIATION

Dear Sir,

This is to express our appreciation to Qatar German Pipes Company in polymer concrete manhole Sector for a timely and successful performance on our Design & Build project.

QGPC has carried out their tasks on this project with full cooperation and have conducted their operations with an outstanding approach.

Scope of work:

Supply and Installation of Manhole

QGPC team discharged their services diligently under the leadership of its Operations Manager, Eng. Hamid Alipoorian, who demonstrated an all-time open willingness in supporting to achieve contract delivery time-frame goals as well as in upholding project safety regulations. and procedures, thus avoiding any form of accidents or harm throughout the contract work.

With reasonable prices and charges, Qatar German Pipes Company personnel were cooperative and commit to our project program schedules and adequately resourced their operations; hence we do strongly recommend QGPC for any Manhole project works in Qatar.

Yours faithfully,

Hussam Farhat
Projects Manager
